

NABARD – CHD GROUP LAUNCHES FREE SKILL DEVELOPMENT COURSE IN BHUBANESHWAR

Posted on October 18, 2021 by CHD Group

National Bank of Agriculture and Rural Development (NABARD) – a Government of India undertaking along with Edward & Cynthia Institute of Public Health and CHD Group will initiate a skill development course as General Hospital Duty Assistant in Bhubaneswar for rural youth and support them in placements in the healthcare industry. The training for the students will commence

in the 1st or 2nd Week of November, 2021. This is a training that will go on for about 3 months and will be held at Bhubaneswar itself.

Rural youth who wish to be trained as a General Hospital Duty Assistant and build a great career in the health and well-being sector must immediately register for the same. The course is provided free to the selected candidates and will be full-time in nature with theory and practical on-job training. Selected candidates will be provided working lunch during the training period.

CHD Group will also support and facilitate the candidates in securing jobs within Odisha, parts of India and also across Israel and the Middle East.

To register for the course, one may contact 0824-4116824 or email office@www.chdgroup.org or visit

<https://www.eciph.chdgroup.org/academics-departments/skill-development/general-duty-assistant/>

Limited candidates can be trained, hence completing the application process is extremely important within the required time. Preference will be given to students coming from poor families.
